Part of the Bounce Learning Kids games and puzzles range, this is a fun series of GOOGLE Slides distance learning anagram puzzles. Each slide has 4 x 4-letter anagrams that need to be solved. The 4 letters of each word are displayed randomly along with a hint. Each solved anagram has one highlighted letter. When all 4 anagrams are solved, the highlighted letters can be typed into the space below to reveal the mystery hidden word. There are 20 anagram slides each with 4 anagrams and a mystery word to be found on each slide. An instruction and solutions slide are also provided. This deck features audio assist. Just click the speaker icon to have the instructions and hints read aloud.
