

Commonly Confused Words

Its It's

6 x multi-choice slides
12 x type the correct word slides

Commonly Confused Word is a series of resources which tackle those homophones that often cause confusion, either because they sound alike or have a similar but different meaning. In this GOOGLE Slides deck, we tackle **Its & It's**. The top of each slide presents a series of examples depicting how each of the featured commonly confused words is to be used correctly - and incorrectly - in a sentence. In the bottom half, the student is shown a sentence with various occurrences of the often confused words as options. Indicate the correct response by highlighting the correct word from the choice given or type the missing words in to complete the sentence correctly.
