Often Confused Word is a series of resources which tackle those homophones that often cause confusion, either because they sound alike or have a similar but different meaning. In this BOOM Learning deck, we tackle **How much & How many**. The top of each card presents a series of examples depicting how each of the featured commonly confused words is to be used correctly - and incorrectly - in a sentence. In the bottom half, the student is shown a sentence with various occurrences of the often confused words as options. Indicate the correct response by selecting the correct words from the choices given or by typing the missing words in to complete the sentence correctly.
