

A
Choose

Choose from one of three Fraction Puzzle variations

① $1\frac{1}{2}$ $\frac{2}{2} + \frac{1}{2}$ $\frac{3}{2}$

White background, with the same shapes for each 4-piece puzzle set, so you can use the puzzle shapes to help connect each piece together.

② $1\frac{1}{3}$ $\frac{2}{2} + \frac{1}{2}$ $\frac{3}{2}$

White background, with different shapes for each 4-piece puzzle set, so you can use the puzzle shapes to help connect the pieces and thus match the fractions.

③ $1\frac{1}{2}$ $\frac{2}{2} + \frac{1}{2}$ $\frac{3}{2}$

Colored background, with a different color for each denominator. Halves are light blue, thirds are yellow, quarters are green, fifths are red, etc. Use the colors to help match the fractions.

B

Cut

Print onto card and cut out each of the puzzle shapes.
Optional: laminate for durability.

C

Jumble

Mix all the pieces up.

D

Put the pieces back together again.
