

Word ladder 2

5-letter words

26 Google slides

4 instruction slides

18 word ladder slides

This is a fun series of word ladder puzzles. Change one letter of each word on each Google slide to make a new word. Keep the chain going until you reach the last word. Clues/hints are provided in the form of a combination of both dictionary definitions as well as cryptic clues to help identify the next word in the ladder. There are 18 5-letter & 4-letter puzzle slides in all, with a series of instruction slides up front to help explain how it all works. An answers slide is also provided!
