

Word Ladder #6

15 Boom cards

Click [HERE](#) for a playable preview

This is a fun series of word ladder cards. Add one letter to the starting word to make a new word. Add another letter to that word to make a third new word.

Clues/hints are provided in the form of a combination of both dictionary definitions as well as cryptic clues to help identify the next word in the ladder.

There are 13 puzzle cards in all, with 2 or more new words to be found on each card. Instruction cards up front help explain how it all works.

In this harder deck, there are no clues not color-coding to help. The first and last words are given, so you have to figure out which words links them when adding one extra letter at a time.

The image shows three overlapping word ladder cards. The first card shows the word "COW" at the top, followed by three empty boxes, then "CROWED" at the bottom. The second card shows the word "APE" at the top, followed by three empty boxes, then "CLAMDER" at the bottom. The third card shows the word "A" at the top, followed by three empty boxes, then "CREWMATE" at the bottom. The cards have a wavy, colorful background. The Bounce Learning Kids logo is at the bottom right.
