Word squares 5x5 is a fun GOOGLE slides distance learning word puzzle crossword-like game. Each puzzle slide consists of a 5x5 grid into which words are written such that the same words can be read both horizontally and vertically. In this 5x5 version, there are 5 hints provided for each of the 5 words that need to be found. The answer to hint 1 is a 5-letter word that is placed into horizontal row 1 as well as into vertical column 1. The answer to hint 2 is a 5-letter word that is placed into horizontal row 2 as well as into vertical column 2, and so on. Solve all 5 hints and place the corresponding 5 words, letter-by-letter in the appropriate rows and columns to complete the grid.
